“ Sally was loved by many! I cleaned and helped Sally out for over 7 years and became very close to her. I have a lot of really great memories of Sally and will hold them dear to my heart. She was a great friend to myself and my daughter. We will continue to pray for the family. We now know she is with the Lord, her husband, her sister and even her adored dog, Prudence. She will be missed alot.##imported-begin##Stephanie Alvis##imported-end##

“ Sally was known to our family as Aunt Sally. She watched the girls while I worked at K's. The girls had so much fun playing with the kids going to the park and getting ice cream at Dairy Queen. Julie remembers Aunt Sally loved to cross-stitch and she did beautiful work. She taught Julie how to cross-stitch. Julie helped Sally a couple of times color her hair. Julie is a Hair stylist now. Aunt Sally would be proud. Anna remembers when she came down with the chicken pox and she got to lay down on her couch and watch TV and all the kids had to go play outside. Anna enjoyed that time with Aunt Sally. The girls would get so excited when Amy would visit and bring her little baby, They still have the pictures. Our family sends our prayers and we will have our memories that make us smile when think about Aunt Sally.##imported-begin##Marie,Julie and Anna Stadler##imported-end##
