“ *Sally, You went too soon! I was just starting to really get to know you and see how really special you are. You truly had a gift of sewing, you could turn a piece of fabric into a work of art! I was too shaken by the news to write immediately.*

I will miss our phone calls once or twice a month just to up-dated on what's happening in our life. You have taught me more about being patient and not complaining about things. You always asked a question but never complained or gossiped, I so admire that about you! I wish we had more time. I will always be sending you my thoughts and prayers.

Until we meet again, miss and Love you.

Your sister Lynn

“ It is always so difficult to say goodbye to a family member. You have been a part of ours 50+ years. I remember helping you with your move to Charleston, setting up the house and you introducing me to bologna wrapped around a dill pickle, lumpia, and tuna pasta salad. Thank you for introducing my girls to Vana's Pumpkin Land; a memory they will never forget.

Thank you for making my quilted mantel drape. I will remember you every time I decorate for Christmas.

I hope you will be able to quilt again and got to see Angel at the rainbow Bridge.

We will keep a watch on big brother and the family. We will miss you.

Love, Kathy

“ Aunt Sally,

I was very saddened to hear the news of your passing... You were a VERY talented quilter and your creations were always so BEAUTIFUL! I will always cherish the memories we made at your house and all the visits to Vana's Pumpkin Land! You will truly be missed during the holidays, special occasions and family gatherings at the lake.

I am sure all of your puppies welcomed you at heaven's gates! I know you are now in a place where you are able to quilt again and are no longer in pain... Don't worry, we will take care of Uncle Ray with loads of potato salad and sugar cookies! <3

“ We are going to miss seeing all of the quilting projects you wanted to complete. You were a sewing artist. You loved going on pontoon rides and exploring the channels at the lake.
I know that your doggie "Angel" was there to greet you. We all are going to miss you, but now you can walk and quilt with no struggle at all.

Love, Donna and Dave
