“ I will be praying for all of you during this difficult time. I know this isn't easy. I am sorry that you have to go through it, but hold on to each other and love one another. Let all of the memories you have of Samantha keep her alive in you hearts and life. Cherish them for the years to come until we all come together again. I regret that I i½didn't get to know her. I know she was a beautiful girl. Antonio, David and Aleigha, always remember how much your mom loved you. May God guide with all of you. Love always, Dorothy##imported-begin##Dorothy##imported-end##
