“ I've known Sandy since grade school. Our birthday was one day apart. We always enjoyed sharing that closeness. But it was after high school I really got to know Sandy. She stepped up to the challenge of all of our reunions. Every one of them. Every five years without fail. This is a monumental task. I worked on the committee for most of them and was always amazed at her perseverance in contacting everyone possible, being patient with late answers, organizing, reorganizing, doing all of the things no one else wanted to do. Her final celebration, the fiftieth, was a wonderful celebration of our class and all of the lives that were touched by the class of '69. I thank her for all of her work and for keeping the class of '69 in touch. May she rest in peace.

“ I went to school with Sandy at Eastridge High. She was one of my closest friends. We sort of drifted apart after High School, but we had a lot of fun together during the years. She will be greatly missed. I have been and will continue to pray for the Call, Powers, Elliot families. I pray for God to lead, guide, and comfort you all and that God will lead you to Jesus Christ as your personal Saviour. If you would like more information on Salvation, you can contact me personally at 815-933-5416 or you can contact Faith Baptist Church at 815-933-9400. God Bless. Cindy K.
