“ Just wanted share how much my mother in law meant to me ..I could have never asked for a better woman as my mother in law..we share so many wonderful conversations.We were always very truthful with each other ...I always tried to help her with whatever she needed me to do and she was always willing to help me in any way she could....words can not express the pain i am filling now....time will heal and she will never be forgotten. Until we meet again RIP Sandy...Love always your daughter in law Patricia
