“ *We are so sorry to hear of the passing of Scott. We just saw him at Mrs Parlin's wake and said hello to him. I had no idea that he was ill. Scott was a good guy I remember him from Berry Bearing where he helped me out a few times with parts I needed. To Sandy and the rest of the family you have our deepest sympathies. RIP Jim and Sue Goodrich.*

“ Scott used to come over during the boat races and hang out with us on and off. Scott was always welcome and seemed to check in on everyone and make sure if they needed anything he was willing to lend a hand. Scott was always a pleasure to have around and would always pitch in with chores without asking, everything from cooking, serving to cleaning up and broke bread with us. We saw Scott as a part of our group and he shared his knowledge of what was going on on the water since most the time we didn't have a clue. Scott seemed to show up when we needed a hand, not just during race time but year round. I still can not believe he is gone. Thoughts and prayers to his family and friends. “ *Labor Day always comes to mind. Grandma Peggy would tell Uncle Scotty he was in charge and the look hed give her was priceless. But no matter what he kept an eye on us all. Growing up with this man was a gift and blessing I will never forget. Getting a call on a friday night to see what we were doing, chats til 5am watching the sun come up, is something no one did better than Scott! I am who I am today because of who he was and I am forever grateful! Love you uncle Scotty!*
