“ I just learned of Scott's passing. The news was a great shock and sadness to me. Scott serviced my office for twenty five years. Whenever I needed him, he was always there! When I sold my business and moved to Florida, we lost touch with each other. I always considered Scott far more than just our computer expert- he was my friend. I am sure that God will put his talent to good use. Goodbye for now- your loving friend- Jerry Charles (Charles Tax Service)

“ Our heart's are grieving for the loss of our beloved Uncle Scott. To know He is no longer in pain is a relief but does not make this time any easier. He is now at home in heaven with his mother, father sister and brother in Jesus's loving arms. I was many years younger than Scott but he always had the coolest car's and I just looked up to him all the way around. We Love You and will miss you dearly
