“ I was shocked and saddened to hear of the sudden death of my old friend Scott. My deepest sympathy to all the family members

Several years ago Scott and I had the chance to catch up on the last 30 or 40 years. I was very pleased and fortunate to make the acquaintance of Valerie and Rudy. I will cherish that.

For Rudy I too lost my father when I was young and I know that there is nothing that I can do or say that will take away your pain and sorrow but I promise you it will get better. I hope for you the best things in your journey through life.

But, in the end I only wish I could have been a better friend. I love you Scott! I'll see you on the other side.....
