“ Scott and I use to call each other Jocko in
school and it had been 20 plus years since I
had spoken to him. We finally, thru facebook,
exchange numbers and would talk now and
again. I'm also a trucker and know the risk out
there. To young to go. You will be missed and
thoughts go out to the ones left behind. R.I.P. Scott. (Jocko).

“ I remember so many things its hard to pick just one but this one comes to mind. We were 12 years old and you took your moms car out of the garage on Stadium Drive and we drove around the block but we were to scared to go any further. I am going to miss you buddy always. Friends forever is exactly what it means

“ I have lots of memories of Scott. He was my cousin and my little brother so to say. He called me sis and I called him little bro. My heart hurts so much and I will miss him very much! I remember one time we went to Goreville to visit with my aunt and uncle. Dale and Betty Wise and Scott was there. Scott had just got his drivers license and was so excited to drive, that he wanted me to go to the post office with him just to get the mail.

Scott will be missed. He had a lot of the 'Wise attitude' about life. He loved music, he could remember how kids think, he loved his family, and he could find fun in about any situation (like Uncle Dale). I'm sorry I didn't see much if Scott the last few years, but I will remember him as a good, sweet soul. Love to all who are hurting, Steve.
