“ To the family of Sean Sanders: May you feel the touch of Jesus loving arms around you today and the days ahead that follow until we meet our loved ones again one day in Heaven. I have many memories of Additions where we all worked there together. Sean was a quiet gentleman who I thought well of always. Praying for the family and friends of Sean Sanders.

“ Dear Family of Sean Sanders,

I was deeply saddened to hear of Sean's passing. We grew up in the same neighborhood—on Osage Drive and Sportsman Club Road—and knew each other from those days. Though we were never close, largely because of the guys he ran with back then, Sean always stood out to me as one of the truly good guys. He didn't have a mean bone in his body, and I respected that quiet kindness in him more than I ever told him.

Please accept my heartfelt sympathy during this difficult time. You are in my thoughts, and I hope the cherished memories of Sean bring you some comfort in the days ahead.

With sincere condolences,

Mark Hourihan
