“ *My heart is still heavy knowing that you are not with me physically. I
still think I can call the hospital and check on you but I know you're
resting. I'm going to miss the way you grabbed my finger and
wouldn't let go, how you would suck on your two fingers, your little
cat cry.....I could keep going on but one things for sure, Mommy
will always love you. My Little Fighter #FightLikeSerenity :)*
