“ Both Sharon and Al were super nice people - so friendly and welcoming. Sharon did some embroidery work for us and she hosted prayer group meetings at her house. She and Al were cheerful and helpful to others. We pray for them and for all their family. They will be missed.

“ I am saddened by the passing of Sharon. I went to school with her and Al. They were young but when they met they connect right away. Their young love was a lasting and strong love for years . She had a great friendly personality and kindness and fun to be with. I will always remember her and Al because you can't say one name without the other at the same time. So they will be united together again. Sharon will bring much fun in Haven. Sympathy and prayers to all her family
