“ To Sharon's son Travis and all the Marquie family,....

Ken and I send our sincere condolences and prayers for all of you at this difficult time. I don't get back to Bradley nor see any of the cousins too often, but one time many years ago really stands out in my memory. Sharon saw me in the former Walmart parking lot south of Armour Rd, called out my name to get my attention, and walked over. I did not recognize her until she told me her name. Well, it was like family reunion time with hugs and loads of 'catching up' gabbing in the middle of the parking lot for over a 1/2 hour. Though all too brief, am so very happy we had that time to share together.

May Sharon rest in the arms of her Lord...in His peace, love, and in perfect everlasting joy.

“ I am so sorry to hear of Sharon's passing. Our senior year in high school, I was given the assignment during PE class of teaching her skills that came easily to me, one of which was hitting a birdie in badminton. I will never forget her unbridled joy the first time she hit the birdie over the net. Being a part of her joy in that moment had a profound effect on me. She gave me a gift that I have treasured and shared so many times throughout my life. Thank you Sharon!
