I agree, just the kindest, most loving soul. Her love for her family was unmeasured. Even though we didn't see each other often, My Aunt Sharon would embrace me always with the longest and most heartfelt hug. You will be missed by many.

“ To Sharon Palzer family words cannot adequately convey our feelings at this time. Sharon and her family have been a part of our life for many years. Sharon's sister married my wife's brother Roger Weber. We attended each others family events. Later Sharon went on some trips we took to Chicago, Michigan, and Branson MO. We grieve her leaving but we must remember and celebrate the life she lived and memories of good times. Roger & Shirley Johnson
