“ Sharon and I shared many wonderful conversations over the years, especially those that related what was going on the with the kids. It was so great to watch all of you grow from students to wonderful adults. I sometimes plied her with candy or apples because she would stop and always help out with an emergency. I will miss her smile and sense of humor. My thoughts and prayers go out to your family.

“ Sharon was always ready and willing to stop whatever copying job she was completing for those of us who would walk-in with our pressing copy job! She always had stories of her family and grandchildren, what sports events, family gatherings, etc. that had happened or would be happening. She made us feel like an extended part of her family. I was so sorry to hear about her passing. Your family will continue to be in my thoughts and prayers.

“ As a teacher in Bourbonnais District #53, I spend a lot of time talking with Sharon over the years as she was so wonderful to always Xerox whatever I needed on the spot! I knew all about her family as she knew about mine! I was so sad when she retired and reading in the paper tonight of her passing really was a shock for me! Sharon was a fireball with a lot of spunk. We laughed a lot and she was someone I felt so comfortable sharing with! Please know how much she touched my life! My thoughts and prayers are with you! Jackie Hernandez

“ As a teacher in Bourbonnais District 53, I have only the fondest recollections of Sharon. She was always ready with her gracious manner to help out with emergency xeroxing whenever I needed it. We would talk about our shared memories of Julie and Suzie, Steve and Scott, who were friends of our son Chris. She was so proud of them and indeed all of her children and grandchildren. Please accept my deepest sympathy on your loss.
