“ Sherry was a true inspiration to anyone who was lucky to be in her life. Although we were only friends on facebook, I realized quickly what an awesome lady she was. I will miss her terribly but I know she is in a much better place. She loved her family more than anything and to them i send my deepest sympathies. Just because she no longer walks this Earth, she will live on in the hearts and memories of the people who love her and will never be far from my thoughts. R.I.P. Sherry, my dear friend
