“ *Hard to find the words of gratitude in this ultimate sacrifice for saving drinking water for millions of people, now & in the future...MANY are TRULY GRATEFUL, especially myself, from the Warm Springs Indian Reservation in East Central Oregon.*

Our Vetran's Powwow begins tonight. I will request an honor song for her, as I'm sure there will be many others sang across these hundreds of Nations within our Nation. She has surely helped in bringing attention to such an important issue. Again, thanks very much & condolences for your loss. ♡Attawishshamaash♡

“ Met Shaun @ Prudential - always admired her strong confidence and sense of right, her love of her family, and that beautiful smile. The world is a little smaller without her. May her memories live on in all those she touched. Greg, Shannon, Jake and family - may you find peace and comfort in the days ahead.
