“ I had so much fun in middle school with Sheri, we had so many laughs together in Mrs. Barzanty's class. She made that class a blast to go to. My heart goes out to her family at this time. May she be in peace now.

“ Sheri and Bryan were a great part of our childhood. My sister and I along with the other East a school kids created haunted houses together, had watermelon picnics at VI's house. Played sandlot baseball and laughed. One of the things I remember most about Sheri is that she had a tremendous mischievous laugh. We had a lot of fun together as very little kids and those days are treasured
