“ *I'm so sorry to hear of Shirley's passing. I will always remember fondly how she and I shared a love for music. I especially remember an evening when we did "Shirley and Linda at the piano" for a Christmas party at church. What fun that was. We shared songs and Jokes with the group. I still have a copy of a cd she recored. So beautiful.*

“ *Mrs Bruner was my organist for my wedding in 1974. I gave her 3 pieces of sheet music I wanted played. Color My World by Chicago and Pieces of April by 3 Dog Night. These were special for my fiancé and myself. And Ave Maria for when my Mom walked up the isle. After our Friday night rehearsal Mrs Bruner found me and told me I had picked 3 beautiful pieces of music. She said the music, not the words so much, but the melody made her tear up. She was such a wonderful asset to Trinity. God Bless. (My husband and I are still going strong.). Thank you. Peggy Peerbolte Shockley*

“ My prayers for Ivan on losing Shirley and a bowling teammate in the same week. I know your faith, family and friends will help you through all of this! I met you, Shirley, and Gary at Fred and Edna's farm. It was fun to come, usually with Grandma Weedon, to get a gallon or 2 of fresh milk! Fred and Edna and Shirley made the visits a lot of fun. You were always helping out working some where, and I really admired this Years have passed, and Shirley always had time to say hello and to share her enthusiasm, whether it was at a store or at the high school girls basketball game at the United Center in Chicago. You and Gary have always made time to listen and say hello, too, I know my life is better by knowing each of you, and you all are in my thoughts and prayers. Scott Weedon

One year someone tucked a package under their tree before Christmas. When Christmas arrived, Ivan opened an empty box He doesn't like chocolate! (The package contained Demet's Turtles.) I feel the same way. I never knew anyone except Shirley who could smell it. I like turtles too! Shirley couldn't resist the smell until it was in her tummy. Ivan might eat a Hershey bar about once a year. Otherwise he doesn't eat it,

“ *We have lost an old friend!
And the BEST Fireworks and Friends Get togethers Ever!!!
Her Music was as special as she was!
She Will Be Missed!!*

*I remember when thugs from a gang took over the house across from her “RESERVED “ parking spot at the church! One Saturday night, they had scattered beer bottles all over the yard, and street! Shirley arrived early, as she always did, but did not park but rather stopped short of her space, and got out, and with her cane, proceeded to shove everyone of those beer bottles out of her parking spot and back across the street! Then she told those groggy eyed boys, that they better never do that again! Only then, did she park her car in the reserved space, and proceed into church!
Shirley was truly a wonderful woman!
We look forward to seeing her again in Heaven!*

*We pray God’s Eternal Strength and Grace for her family and friends.
