“ Aunt Shirley... you are my Aunt, my God Mother, my children's God Mother and part of who made me who I am today. I will always remember all that you did for me and be thankful that you were there for us. I named my daughter in part with you and both of my grandmothers because, I wanted her to carry on parts of all of you three and she has. I pray that you are at peace, I love you and will miss you.

Love your niece,

Gail Pyzdrowski

“ Sincere condolences to Shirley's family. I knew Shirley and Al from Gould Battery. She always had a smile when ever I saw her at work. I am sure that Shirley and Al are together again. God Bless.

“ *Shirley and I were great friends and cousins throughout our younger years. She was always fun and had a great sense of humor. Some how life got in the way and we did not connect for years, but that doesn't mean that I didn't think of her often. My deepest sympathies to Shirley's family, God bless you all.*
