“ My name is Melissa eddleman I am one of 5 biological children of Sidney. I was very sad to realize we his 5 children were not mentioned in his obituary. He may not of been the father we wanted he was still our dad n know one can take that away from us. I did love my father but he had his family n didn't want to except his other family 6 grandchildren and 3 great grandchildren. I will always love my dad!!! RIP!
