“ My first symptoms of ALS occurred in 2014, but were diagnosed in 2016. I had severe symptoms ranging from shortness of breath, balance problems, couldn't walk without a walker or a power chair, i had difficulty swallowing and fatigue. I was given medications which helped but only for a short burst of time, then I decided to try alternative measures and began on ALS Formula treatment from Tree of Life Health clinic. It has made a tremendous difference for me (Visit w w w. healthcareherbalcentre .com I had improved walking balance, increased appetite, muscle strength, improved eyesight and others.]

“ I am the secretary of the Speckman office in Watseka. In the short time I have known Linde her kindness shined through to help welcome me to the speckman family. She took the time to listen and help me out with a personal issue because that is the just the kind person she was. She was a wonderful person and will be greatly missed. My thoughts & prayers are with your family.

“ Mike, Mike Jr, Brian and Families: I am very saddened to hear about the loss of Linde. Through all these years she and I were able to maintain contact, if only during our annual Christmas letter/card. She would offer to sell me a house "at a discount" so I would return home. She has and always will hold a special place in my heart. She could bring a smile and laugh to anyone around her. You are all in my thoughts and prayers.###imported-begin##Theresa Kennedy-Hite###imported-end##

“ I regret that I am unable to make the trip to Chicago for Linde's memorial.

She holds a special place in my memory, as do the entire Boggess family.

She was my mother's best friend. I'm sure that they are, in some way, together now, watching over the rest of us.##imported-begin##Tim Harrison##imported-end##

“ I will always remember Linde's kindness. ĩ½She was a hugger and always made me feel welcome in the Bourbonnais Office. ĩ½I fondly recall she invited me to tag along on what would be my 1st Open House and most memorable one. ĩ½We didn't have many guests that Sunday afternoon, but Linde was prepared if we had. ĩ½She showed me how to be close enough to answer questions but not in the way, I witnessed a true professional doing what she loved. I consider it a priviledge to have known Linde, she was a wonderful person and will be truly missed.##imported-begin##Miriam Odeneal##imported-end##

“ The thing I remember most vividly about Linde is her voice. ĩ½She had such a beautiful voice. ĩ½I remember calling the office in the 90's and talking with her, she always answered the phone on the first ring. ĩ½She was so pleasant to talk to. ĩ½Early on, I helped with the computers at the office and I did have a chance to work directly with her on the weekends. ĩ½It was always a pleasant experience and I will remember Linde always. ĩ½We need more people like Linde here, but I can understand why God wants her with him, I would too. ĩ½

Too bad you can't call heaven, I am sure it would be Linde answering the phone in her sweet german voice...on the first ring too.##imported-begin##Alan Speckman##imported-end##
