She was born August 13, 1941 in Tamaroa, IL the daughter of Marion "Ken" & Hilda (Smith) Preston. She grew up in Gibson City and graduated from Illinois State University. Sondra married James "Jim" Patchett on June 6, 1964 at St. Rose of Lima Catholic Church in Kankakee. He preceded her in death in 1994.

She moved to Kankakee to teach at West Junior High School where she met her husband. She later taught English and worked in the library at Bishop McNamara High School. After her husband's passing, she moved back to Kankakee, taught at Wilmington Middle School and finished her career at Kankakee High School. After retirement, she worked at the Limestone Library. Throughout her library and teaching careers, Sondra created long lasting relationships with her coworkers.

Sondra enjoyed time with friends playing Bridge, golfing, book clubs, movie club and hosting dinner parties. She was an avid traveler visiting over 20 countries. She also enjoyed attending her grandchildren's activities. She was extremely grateful for her family and the friends who were so generous with their time and attention helping her day to day especially as her health

declined.

Sondra was a former parishioner of St. Teresa Catholic Church in Kankakee and then later, St. Martin of Tours Catholic Church in Kankakee.

Surviving are one daughter and son-in-law, Jill & Jay Munce of Park Ridge; one son and daughter-in-law, James & Meredith Patchett of Plainfield; five grandchildren, Alec Munce, Maggi Munce, Evan Patchett, Mason Patchett, and Leah Patchett; as well as several dear nieces, nephews, and cousins. “ Sincerest condolences to Sondra's family. Sondra's wit and humor will be sorely missed. She greatly encouraged and supported me in my transition from teacher to librarian. I will always have fond memories of her guidance and shared love of literature. Sondra supported me as my own mother's health declined. Sondra holds a special place in my heart.

“ I met Sondra when I needed a golf partner for the Thursday league at Shamrock golf course. We were partners for several years and I was delighted and often surprised at her wit! Once I backed up my push cart and somehow came into contact with her, causing her to tumble down. I apologized profusely, she was not injured, but accused me of trying to kill her...which she reiterated to other golfers when she had the chance! She always appeared quite serious when telling the story...and likely stretched the truth a bit, but it always made us laugh afterward. Each year, at the start of the season, she'd ask me if I was going to kill her this year, and I'd say "probably not!" Oh, and she always brought a bag of Werther's butterscotch candies, which she would share after the first few holes. I could only imagine how she'd deal with students visiting the library at KHS. I bet many have fond memories, as I do. My condolences to the family.

“ I taught with Sondra at McNamara High School for many years and admired her greatly. She was one of the wisest people I have known, and I feel honored to be able to say that she was my friend. She did everything with integrity, class, and excellence. She also had a great sense of humor and a warm, caring attitude for everyone. She faced life's challenges with courage and fortitude. I know that she was rightfully a role model for many people, including myself.

“ I am so sorry for your loss and I send my condolences to your family. Mrs. Patchett let me live in the library when I was a student at KHS and even let me work in there with her when I had a free hour. I've never met another person who helped cultivate my love of reading and the importance of libraries like she did. Mrs. Patchett was a force to be reckoned with, had a great wit, and a dry humor that caught me off guard in the best way. As an employee of Kankakee Public Library, I am so touched that she thought of us as well. She will be so missed and may she Rest in Peace.

“ I’m so sorry for your loss. An amazing teacher!!! It was maybe not realized by my 14 year old self, 😞 but her dedication to making sure her students had understanding and were working to their potential was an example I took forward in my career. She always seemed to have time for any extra help that was needed... especially a little extra practice memorizing Romeo and Juliet. I did not realize she was in Plainfield. I hope she knew what a positive impact she had on many of her past students.
