“ *Leanne, Tony and Family,*  
*I was heartbroken to hear the news of Stacy. I remember that tiny, little girl with spunk when she graduated from Ms. Susie's Preschool. I had the privilege of watching her grow and coaching for me at St. Stan's. She was always patient and kind to the girls and always greeted me with a smile. Through high school, Jenny looked up to her, and I know Stacy was in her corner as they went through Poms together. She was an amazing woman, and she will live on in your hearts and her children. I am happy to have known her, she made the world a better place. May you find love and comfort in the days and months ahead that your sweet girl meant so much to so many. She left a legacy of love.*

*May God bless you,*

“*She's in the sun,  
the wind, the rain,  
she's in the air you  
breathe with every  
breath you take.  
She sings a song  
of hope and cheer,  
there's no more pain,  
no more fear.  
You'll see her in  
the clouds above,  
hear her whisper  
words of love.  
You'll be together  
before long, until then  
listen for her song.*”

*There are so many songs that remind me of Stacy from being on Poms with her for several years. She will be missed but remembered with a smile. Stacy always smiled with her eyes and had others smiling and laughing right along with her. My deepest condolences go out to you in this difficult time. You are in my thoughts and prayers. Stacy will forever be in our hearts.*

“ My thoughts and prayers are with you Tony, Leanne, Pookie (& Jill), Nick (& Sam), Riley, Karis, Drake and all the Rutyna and Hartwig families.

Stacy was one of my first friends as we grew up 5 houses away from each other. I remember being heart broken when they moved but years later she returned and it was like no time had past.

Through our 37+ years of friendship that is what meant so much. It never mattered how much time might pass we always just picked up where we left off. I know the next time I see you Stac it will be just like that...we'll pick up where we left off! Love you always and forever!!

Love- Karyn
