“ *So sorry to hear of Stanley's passing. I worked with him at GF. He was a great guy to work with and always entertaining. He was fun to be around and was a great story teller. Stanley was well liked by everyone and loved to play any kind of card game on breaks. He kept everyone laughing with his witty humor! One thing that was always evident was his love for his family. May Gods grace be with his family. RIP Stanley*

“ I actually don't remember meeting grandpa gossett(we never called him stan). My whole life that i remember when we would go with my uncle joe we were sure to run into his dad. I do not have a memory of him saying a bad word of anyone and he was always quick to start a conversation. A few years ago I was lucky enough to have him and orleana relocate to just a few blocks away. I would visit and help them with the computer and chat with them. He always had the best outlook on just about every subject. He was quick to praise god and to share his thoughts on how things in the world were going. His personality is one that I can only hope to aspire to. I feel grateful for having met him and the talks we shared.

“ Karen and Kathy (Shirley's daughters from Wisconsin) remember Uncle Stanley babysitting and feeding us peanuts. He was so much fun! Lot's of awesome visits to Cliif and Shirley Kinsey's with great times singing on the porch. Uncle Stanley and Uncle Wayne would be picking their hearts out...and joking about the real words to the songs! Uncle Stanley was a very beloved Uncle and we will always remember the fun we had with him. Karen Jackson and Kathy Murphy

Stanley was always the favorite brother of my husband Randy. Randy, the baby of the family passed away in 2015 but always spoke of him. We would visit with the family and Stan was always nice, kind and funny. He loved his 4 Boys very much and this was easy to see whenever we were in his home. We both totally enjoyed being around him at family functions! RIP STAN!
