“ I am very sorry to hear about Stefan. It is very sad. I went to school with him, since pre school. I helped him all the time. He was always soo happy and smiley. I loved being his "helper" and playing with him. I was also in the hospital with his brothers Brian and Ryan. Your family is in my thoughts and prayers. He will be missed. Even though I havent seen him since we graduated 8th grade, I have many fond memories of him. If it would be any condolence to you, I have some pictures of him if you'd like them.

 ĩ½My thoughts and prayers are with you.

“ Our prayers and thoughts are with the family of Stefan Powers.

I remember Stefan when my daughter Miranda was in class with him and the time the Power family had a birthday party for Stefan out at Vanna's pumpkin farm.

I always wondered about Stefan and I'm glad he had a chance to finish high school. ĩ ħ½I know my daughter's life was touched with knowing Stefan. ĩ ħ½Stefan always seemed to have a smile on his face the few times I met him. ĩ ħ½I know everyone that knew Stefan was touched in some way by him. ĩ ħ½We will keep you in our prayers.##imported-begin##Jackie Lingle##imported-end##

He was a great kid who could light up a room. ĩ ħ½I had never met a more wonderful family than his. ĩ ħ½I will never forget his great Halloween costumes. ĩ ħ½God bless your family.##imported-begin##Beth Sikes-Raymond##imported-end##

“ I am so sorry to hear of the loss of your wonderful son. Having taught him for so many years in the Bradley School District, many fond memories will remain with me always. Stefan had such a great sense of humor. He would laugh with his wonderful, contagious laugh, whenever our classroom got crazy. His smile could light up an entire school. He was liked by so many students and staff alike. How can I forget his awesome Halloween costumes. The creativity was amazing. It was always kept a secret until the day of our Halloween party. The hot air balloon and the Flintmobile stick out in my mind the most. Stefan, you will be missed and always remembered. Karen and Tommy, thank you for giving me the opportunity to work with your son. He was a great student. You are both in my thoughts and prayers.

Sincerely, Chrisie Conklin-DeCarlo

“ Dear Karen and family,

I was so saddened to hear of Stefan's passing. It seems like only yesterday I met you and your boys....what a joy it was to know them and you. I'm happy to know that Stefan had graduated from high school and had so many years surrounded by the love of his family.

Know that you are in my thoughts and prayers today.

“ I only met you once, Stefan...I knew your brothers much better and of course your mom, Karen. I was very blessed to have the opportunity of knowing, respecting, and loving them. I know that you were equally as special and gifted through all your accomplishments. I am sending my thoughts and prayers to those you left behind...and I know that your soul is now at rest with your brothers and that your spirit will be with those who knew you and love you. God Bless...
