“ Dearest Julie and Randy your mother was a very special person. She always looked perfect and had a smile on her face. She was so helpfull and caring to my mother especially in her last year of life. Living in the same building they both looked after each other and drove each other crazy.....maybe they will be together again. All my prayers are with Stella and Julie and Randy. May you find some comfort in knowing how much she loved both of you. Farewell Aunt Stella you were loved by many. Carol

“ Dear Stella: Will always remember how you always look like you step out of a beauty shop. You always dressed your family with the same attention to details.

*I was so happy to see you sitting in the same place at Mass on Saturdays at the 4:30 service. I didn't mind going to church by myself, but it was always nice to have you there.*

*I don't know if anyone knows, but you where my Godmother when I was baptized. I guess that made us a little closer.*

*You and Uncle Bill gave Julie & Randy a good home and all the love a mother & father could give their children. You have to be proud of them seeing them as the grow adults they are today. Jule should feel at peace, that she was able, with the help of Randy to care for you at the time that was most important in your life.*

*I am certain you are very happy now. You are with your parents, sister and my dad. Please tell him how much we miss him!*

*May God Take Care of You and Your family. Rest in Peace knowing all is good!*

*Love Your Niece, Sharon*
