“ I can't believe it has already been two weeks today that you went to be with your heavenly father. I know you are at peace and full of joy now. Your two sons and I miss you. Oh how we wish this was just a bad dream. I am proud to have your last name. We grew up together, and after all we've been through...it turned out that we were best of friends. The boys and I will cherish the memories, tell grandma Joyce we love and miss her too...and we will see you again someday. All our love, Juli, Lance, Austin and your precious granddaughter Alex

“ Steve was a great person in and out. We were friends since we were kids, but really enjoyed hanging out here and there the past couple of years. I realized more and more what a caring person and family man that he was. I will miss him very much, but will never forget him. God bless you Steve !!

“ *Steve was a good friend of mine, I worked for the city of Kankakee and he worked for the Villiage of Bourbonnais. We often shared stories of work when we bump into each other at the Riverside health club. We attended H.S. together and he was one of the good guys, always with a kind word or encouragement . My family and I would like to offer our most sincere condolences to his family. May God bless , Steve will be in our prayers.*

“ *Steve was a true friend throughout school. There were several of us who were always together. We always had fun. I hadn't kept in contact with him over the last few years, but would see him occasionally riding his motorcycle through my neighborhood. He will be missed dearly.*
