“ We remember Steve fondly as a true gentle-man who always seemed to have a kind word, helping hand and smile while supporting his children, his precious wife and his children's school. We appreciated his support and his wonderful sense of humor and always enjoyed seeing him and working with him. As a teacher and principal of the elementary school his children attended, we can say that his children are certainly a reflection of the kind of caring and supportive parent he must have been. He and his family are certainly in our prayers. Michael and Virginia Wayer

“ Dear Briana, Angelo and Steve and children,
We have been so worried about Uncle Steve throughout the time he was suffering with health issues. We thought of him often and prayed hard. He's now at peace and resting with God, your Mom and all b4 him, watching down always and you'll feel his guidance and love. We had wonderful childhood days with him, jumping rope, playing tag, he was with us a lot. I'm so glad we enjoyed more recent days/meals at the Jersey Shore, in Bethel Ct & in Ossining. He'll be greatly missed but always in our thoughts. Love you All, wish I could have come to services but between some Covid exposures and work, I just couldn't do it. Stay strong and hope you find some peace and comfort in all your memories...❤️ Love you Guys, Jeanne, Rob, Brian & Kevin

“ I can honestly say that I have never met a more kind, gentle, and generous human being. He always had a smile on his face. Mr. Chill! As calm and cool as he was, he would walk across broken glass and burning flames for his beloved wife and beautiful children. One of my fondest memories of Steve was lighting fireworks in his yard and watching his smile break out into laughter as they went haywire. I cannot pick up a piece of fruit or go to pick fresh fruit without thinking about his love of fruit. He loved his fruit almost as much as he loved his family. God bless you Angelo, Stevie, and Briana, and those you love! May the Lord carry each of you through this time.
