“ Donna and Zach, I'm so sorry I could not be there for you as you were for me when I needed you. I hope you know I cherish our friendship dearly and I know that with your faith in God you will get through this. No one could ever replace Susie and all the wonderful things about her. She was the finest mother, grandmother, and friend to so many. I know a piece of your heart is missing now, but always remember FROG, and that will help fill that piece of you that is missing. I am missing her too, but I am at peace because she is now at peace. ”
