“ Mark and family. From the many tributes you can surely see how Sue touched our lives. I enjoyed many good work and personal discussions with her. Although our lives have taken us in different directions and we hadn't spoken in a while, I thought of her often. Her departure is much to soon. My thoughts and prayers are with you all. I pray for God's angels to be encamped about you all, to lift you up in your time of need. ##imported-begin##Ann Berkley##imported-end##
