“ Bruce, I was so very sorry to hear about Sue. My sincere condolences to you, Kelly, and Kevin. My memories of you and Sue, of course, go all the way back to our working at Femley-Dickerson together and then buying your house on Linden St. where Glen and I stayed for 27 years. I still remember a conversation Sue and I had in that kitchen. I pray for God's warm love and comfort for you in the months ahead.

“ *My heart breaks for you Kelly and your family. Of course I have  
many fond memories at the Semlow house. Your Mom was a great  
lady and always let us girls be girls; letting us take her Bonneville  
and then getting the Nova for you with an 8 track and no air before  
you had your license so she let me drive it. Prayers to you my friend  
and the Semlow family and Smith clan. Love you 💕💕💕 Missy Ritter
