“ *Dear Rebecca, John, Children, Kristin & Avery & Jan, Our hearts ache as we say goodbye to Susie. Our tears reflect the moments in life we all shared...too numerous to mention. She was kind-hearted, sweet, pure of heart, fun, loving, and like a sister to Sharon, Kathi and I. It will take many hours, days, and years to reconcile Sue's loss. We loved her and she will be sorely missed by so many. Love and Prayers to your family. Peace be to Sue 🕊️*

“ *Rebecca and Kristin, I am so very sad and so very sorrowful for you and your families. Susan was a great cousin and growing up we spent a lot of time with her babysitting for us and being a part of her wedding and watching her love being a mom to you both. I cannot believe she is gone so soon and I can now pray for comfort and peace that God can only provide to you all.*

“ I will miss our CSL family lunches with Sue. I will also miss her calls when she would travel to Indy to spend time with Kristin and Avery. I enjoyed keeping her company while she drove. She leaves us with such broken hearts, but great memories. She was a blessing to us all. Rest in peace, dear friend.

Rebecca & Kristin, we are saddened by the loss of your mom. It was so nice to spend time with her at a thanksgiving family gathering. She was truly blessed with you girls as her daughters. Will be keeping you both in our thoughts and prayers.

“ I had the pleasure of meeting Susan and her parents, when her sister Janet, came to work for us in Chicago, in 1971. Through the years there were occasions that I would get to see Susan, with her entire family. Recently, got to see her with her daughters and their families, especially with her grandchildren, when Janet, had a special event.

So, when I was notified of her loss, my thoughts and prayers are with the entire family, may God, continue to watch over you all.

Sincerely, John L. Toboja 🙏

“ My heart goes out to Kristen, Rebecca and all of the family. I know how much she was loved by all and how that beautiful Abby would wrap her arms around Sue and tell her how much she loved her. I always enjoyed it when Sue would bring the family to Ft Myers Beach and we would get together. Such good times. She will be missed but she is now with the love of her life, Steve. May the wonderful memories help ease the pain during this difficult time.
