“ Cathy, I know I never met your mother, but I do know that you were very close to her and took excellent care of her. It is hard to let her go, I know, but she is in God's hands now and you can take comfort in the knowledge that she will never be hurt or lost again. She will always be with you in your heart and looking over you from above. Your job is done now - it is time for you to take care of yourself. Please get healthy, and I will be here if you need me. Your Friend, Billie & Terry Jensen
