*My sympathies to the family of Sue Alderson. She was a very special lady who loved her family and cared for us, the children in the New Hartford Iowa neighborhood. Those of us who had the wonderful opportunity to play hide and go seek, kickball, basketball, etc, in a safe community are grateful for the time she and her family spent in New Hartford. I am certain she is missed by all who love her. May God grant you peace. Hold on to the memories you have been blessed with. Thinking of you during this difficult time. Take care.
