“ *Dear Family,<br><br>I just wanted to extend my deepest sympathy for the loss of Doc. I came to know him at Provena Heritage Lodge two years ago when my parents, Yvonne and Henry Piggush, were placed there.<br><br>Doc was always a pleasant, happy gentleman. I½ enjoyed talking to him in the dining room, at parties, or in the hallways.<br><br>I understand your grief because my mother, Yvonne, just passed away July 19th. I½It is difficult to see a loved one leave us, but we have to think of all the wonderful memories they have made for us during their long life here on earth.<br><br>I was very fortunate to have made his acquaintance. I½Sincerely, Gloria LaGesse##imported-begin##Gloria LaGesse##imported-end##*

“ Sally told me of Doc's death first thing when I arrived to work Friday morning. It floored me. <br><br><br><br>The previous Monday we had our "Monthly Birthday Bash", and as I was doing my work at my station I looked up and there was Doc out there in his wheelchair straight ahead and he was looking at me. So I smiled and waved to him and he smiled and waved back. This will be my last memory of Doc, my sweet,little friend. <br><br>You have my deepest sympathy.##imported-begin##Donna Ciaccio##imported-end##
