“ I am so sorry to hear of your families loss. She was so young. I want to send my deepest condolences. Also, what helped me was keeping in mind Ecclesiastes 9:5" For the living are conscious that they will die; but as for the dead, they are conscious of nothing at all, neither do they anymore have wages, because the remembrance of them has been forgotten." where it helps us to see the true state of our dear love ones. Also, know I will see them again and that is brought out in John 5:28 Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice 29 and come out, those who did good things to a resurrection of life those who practiced vile things to a resurrection of judgment. I hope that these scriptures has brought you comfort in your time of sorrow.
