“ *I am lucky to have grown up having my Aunt Tammy. She would do small things just to make me smile like drive really fast over the little hill by the allergy doctor because I liked it or sing and act silly. She will be missed and loved every day.*

“ So sad to hear of the Nichols/Cote family loss! Tammy and I were best friends for many years. We had lots of good times and I have so many memories of our escapades.

I am pretty sure that I am the one who introduced her to her beloved Dennis! They were an awesome couple and an inspiration to many.

I also knew the rest of the Nichols family. They are great people and I feel blessed to have been a part of their life - Mr. And Mrs. Nichols always treated me as one of their own. Tammy was taken way too early but I know she will be reunited with those that she loved. I have not seen Tammy in many years but thought of her often and always on her birthday. My prayers and deepest condolences to the families of this fine woman. Rest in peace my friend.

“ Suddenly, Tammy left the children she adored and the husband she loved deeply. She loved to tell a story that would make people laugh. If she could tell one more, I think it would be this,

Grieve not, nor speak of me with tears,

but laugh and talk of me as if I were beside you.

I loved you so - it was heaven here with you.

forever in our memories
