“ Teresa & Al (although a good mile and some) away from Doug's parents were Great neighbors and a tremendous loving couple to have around. Teresa had contributed to teaching my wife Loretta how to can tomatoes and vegetables. They were always there to support myself and the many Knight's of Columbus functions and look out after our family as we were growing up.

Al and Teresa had such the loving touch in everyone's life throughout the St Anne Community. Both had a smile and a heart which cared completely. Both had that extra special loving touch a touch that was filled with loving compassion. Whenever a function occurred almost always those two were there volunteering and lightening the workload with their humor and their talents. We all have a treasured load of memories with Teresa and Al. Now hard working hands are now at rest. Currently a joyous reunion is happening above and may they all rest well together in Our Lord's arms.

Always in Our Hearts,
