“ *I was lucky enough to have two moms. Terry went out of her way to try to see me and the family whenever she was in Colorado to visit Ken. It meant so much to me when she drove in from Valpo to see us and pay her respects when my dad passed away in June 2010. She will be missed by all of us. My best to Ken, Paul, Madonna and Spike in these trying times.

“ Terry may be gone but will never be forgotten!!!! She is now up with my dad and grandparents!!! I grew up with Terry and her family!!! The family is always in my thoughts and prayers!!! She always had a smile on her face unless she was yelling at one of us kids and was usually exchanging jokes with my dad Wesley (Butch) Bentley. She was a great woman.

“ Our condolences to Terri's family. I knew Terri & George back in the late 50's and early 60's. They use to take me to the drive-in with them. My mom and dad, Louise & Leonard Cooper were close to Terri. Dad (Leonard) was Aunt Edna's brother. Terri died on my dad's birthday (March 9th). I have nothing but great memories of Terri (and George). My dad (Leonard) died in 1956, and my mom (Louise) is still going strong at 90. Prayers to Terri's family. Pat Cooper-Carroll, Maryville, IL.

“ Teresa was one of my class mates. I remember her as a fun loving and kind person. We can't choose when we go but we can choose how we live and I think Teresa has had a good life and will be remembered by all of her friends. God bless her family and friends.

“ Terry was always there to help. I remember spending many happy evenings with Terry and Janet when my son, David, was a baby. Terry had a special knack of soothing babies. Her sons and daughter were lucky to have her as their Mom. Since I haven't lived in Illinois for many years, we did lose track of each other. I will remember her in my prayers. May she rest in peace.
