Camping, Drive Inn Movie Theatre, Junking, Flea Marketing, Holidays was the best growing up.<br><br>We could not get anything past uncle Terry~ I wish he would of had me eat the whole pack of cigarettes when we got caught smoking, Maybe I would have never been a Smoker.<br><br>BUT, the Best Memory is in 2006 Uncle Terry, Aunt Vernie, Mom & Dad where at Kathi's condo in Sanibel Island, FLA.<br><br>And I joined them & got Uncle Terry to roll up his Jeans ( that is all he would wear), and take a dip into the OCEAN, something so pure. Dolphin watching w/ his binoculars. Thee enjoyment that he got from this opportunity was overwhelmed. He IS the GREATEST GUY , next to my Daddy.<br><br>Never would Hurt anyone, full of Jokes.<br><br>Full of JOY.<br><br>I want The cousins (Lisa, my FAVE), to really see how important life is & can be taken when you least expect it. <br><br>He really enjoyed his Grandkids (that is what kept him going). “ Uncle Terry was my favorite, best, loving and caring uncle anyone could have. we always stayed in touch with each other thru childhood and adult life. Uncle Terry and Aunt Laverne loved it when we went to see them. He called my grandson Damon his little man and My granddaughter Emily little betty after his sister betty reese. We have alot of fond memories at his house this past aug. and this past june at our family reunion when he give his little man a knife for boy scouts. Damon sadly misses him and he put his pocket knife up for safe keepings. I have alot of great memories that will be forever inbedded in my heart. Terry called me often when my grandpa was sick. He would tell me "hang in there kid it will be okay," and allways told me he loved me. he was even i ½ by my side at his wake. Terry called me ever birthday. Or just to see what i was up to. Uncle Terry you were always an angel and now you are spreading your wings with grandpa in heaven. We will all miss your smile, personality, love for all and phone calls. My heart goes out to the whole Behl family and friends. May God bless you all. Love Candy and her grandkids##imported-begin##candy reese##imported-end##

“ My dad was the GREATEST DAD a girl could ever ask for. I know I will never find a man that could ever compare to him. It saddens me to know that he can't be here with me when I get married, graduate from college, or to talk to daily, but I know he can still see and hear me. Daddy loved his family dearly. He will be deeply missed by his whole family. He would give his all to help almost anyone. He had a very BIG HEART! There will not be a day that I will not miss you or think about you. Life will be sad without him, but I know he is at peace now and ONE DAY we will be TOGETHER AGAIN!##imported-begin##Lori Behl##imported-end##

“ My Uncle Terry was like another father to me. He always reminded me so much of my dad Larry. Uncle Terry was such a kind loving man. I miss him so much. I remember the last time I saw him was at the family reunion in June, I fixed him and my dad a plate of food. Uncle Terry will be sadly missed by us all. My son Andrew called him Pa Pa. We love him very much and will miss him very much. Uncle Terry was the kind of man that would give you the shirt off his back if you needed it. I will miss all the stories about his childhood that he always loved to share. “ I would like to express my condolences to the Behl family for this tragic loss. I have to say the news of "God's Angels" taking Terry to the beautiful place we call heaven is a shocker. Never the less Uncle Terry is one of the very best men I know in this family. He was always quick with a joke no to mention willing to give a helping hand if one needed it. Terry had a heart of gold I don't believe there was a bad bone in his body! I will never forget the times he would make me laugh. I will always keep those memories with me they will never be forgotten; as Uncle Terry will never be forgotten! My God bless this family for the loss of a grand man to say the least. “ We are so saddened to hear of the passing of Terry. He is my husband's cousin and I remember so much his smiling face at the Behl reunions. He was just a lot of fun to be around. He always had a joke and a kind word for me and Bob. I know, Laverne you will miss him terribly. The family reunions just won't be the same without him. I can see him up in heaven's campground. He loved to camp and I know he like the flea markets. Larry I know how much you are going to miss him too. Our hearts go out to you in this time of need. We lost our Dad as you know about this time last year . You will always miss him and time will help lessen the hurt because he will live on in your hearts forever. Please advise us when you will be bringing him to Plains we would like to attend. 217-628-1530###imported-begin###Marie & Robert Flowers###imported-end##
