“ Terry was a very solid person. I met him in California just before he and Pat married. He seemed marvelously cool to me then and always has been that way to me. I know him as Pat's spouse and Mike and Suzi's Dad and Bob and Dorothy's son-in-law who took a leap and partnered closely with the Livermore Family to do something they could not have done without him. ĩ½His wife and children and Bob and Dorothy all loved him for the character he had and the character he showed.##imported-begin##Ray Hamilton##imported-end##
