“ Words cannot express how sad we feel at the passing of Terry. We used to have so much fun at Davidson's with Terry and Mary, Bob and Shirley. They were our New Years Eve "dates" EVERY year! His dry humor always cracked us up and he and Bob would always play off each other. It was so sad when Mary passed away because I saw the light inside of Terry dim. It was heartbreaking when we would see him. We are so very sorry as for the last few years as we had lost touch. We hadn't run into Terry for awhile. Terry called us when Naomi passed away and we talked. He just said he had a few health problems when we asked how he was doing. The whole Lynch family, including ALL OF YOU GIRLS are a number one class act and are very wonderful people! We are lucky and better for knowing you. We are sorry that we can't attend because of the time frame. We were hoping for an evening gathering for memories. Please accept our heartfelt condolences. Danny and Cheryl McFall
