“ I worked with Terry at First American Bank. She was a joy to be around, and a dedicated employee. She was a person with a lot of common sense. Something that is hard to find these days. May she rest in peace.

“ I am grateful for the time we spent together this summer reconnecting after many years. We looked at old family photos, discussed our trips, and had a day trip to Indiana Dunes National Park. Who knew it would be the final visit? Michele and I will always remember our visits to the farm and the fun times we had with our cousins. Thank you for all the free bowling tips! You will be missed.

“ I very much enjoyed hearing about Teri's adventures in travel. The Monday before she passed, our teams bowled each other and she talked fondly about her trip to New Zealand and Australia. She will be missed. My deepest condolences to her family.

“ Terry Nesbitt has been a dear friend of mine for decades through travel experiences with our mutual friends, Sue and Dan Smith. We've been on many cruises from Alaska, Hawaii, the Caribbean islands, to Australia and New Zealand. There was always discussion about where to go for our next big adventure before we even finished each trip or cruise. I will miss my traveling companion and good friend. See you later, my friend!
