“ *Sylvia:
We know that words are inadequate at a time like this but we wanted you to know how very sorry we are for your loss. The loss of a spouse is a tragic event and we know that you are experiencing pain and suffering at his loss. It is times like this that our faith is put to the test. But in faith, we know that you must accept Terry's passing and give thanks for the wonderful life he lived. As sad as it will be, you will always have the memory of him to hold in your heart.
With deepest sympathy, Donna & Norm Hecht*

“ *Uncle Terry was always the fun uncle and there are many great memories of him, but one that comes to mind is the awesome fireworks displays on the Fourth of July that he did for so many years that brought joy to everyone.
You are loved and will always be missed.*
