“ I am sadden to hear of your loss. I recall many summers of fun Terry and I had out on the farm. He tried his best to teach a city slicker the fun and work to be had living the farm life. Although I have not seen him in several years, my Dad and Janet Tanner have kept me posted on his health. I wish I had been able to see more of Terry as an adult. Thoughts and prayers go out to all family and friends who will miss him and the part he has played in their lives.##imported-begin##Ken Tanner##imported-end##
