“ *Thelma was one of the most amazing people I have ever known. She was genuine and kind. She always had a smile and I don't think I ever saw her in a bad mood. She was smart and never made anybody feel anything but smart also. I worked with her a long time ago and we kept in touch for a while but lost track of each other. I never forgot the things I learned from her.*

“ *Thelma was one of the sweetest women I have ever known..When I got married in 2001, she asked me to come over after work. I did and she gave me a beautiful vase that she said Lee had bought her on their honeymoon...I dearly cherish it and her friendship..She will be fondly remembered always..*
