“ *Thelma, was a good friend, who has many friends here in the park, and will be missed dearly. At night i½she would be down to the office sitting, and we would talk. i½I know she wanted to come back down here, to be with us, one more time, and I'm sorry we didn't get the i½chance to see her one more time. But i½I'm really glad she had her last hours, near her family. i½We will miss you dearly i½Thelma. i½Mim.##imported-begin##Mim Hanna##imported-end##*

“ *Thelma was a dear friend of my mothers.

She always came over during the holidays when she was here in Florida and spent almost every Christmas evening with our family. ĩ½She will most definately be missed by all of us. She was a very special lady.
