“ *To the Kotty Family,*

*We are saddened by the loss of Aunt Terry. She was always very welcoming and open to all of us at family gatherings and really pleasant to be around as sometimes it was difficult, due to distance from family in Indiana, to attend so many of the great outings that were held. Fun memories of family together as we'd sit outside and laugh and just relaxing. We will always remember the thoughtful Christmas cards that she sent to us over the years - long distances between families but warm feelings made it all good. We will keep you in our prayers.*
