“ To the Metz family,

I got to know Tom through my stepfather, Kenny Duggins, who was a good friend of his. I enjoyed playing cards with them and hearing about their plans to travel in the motor home.

You have my sympathies for your loss.

“ I moved to the area in 1994 and I needed to find a new barber. Tom's barber shop was the first one I went to. I enjoyed going to Tom's barber shop for 14 years. I remember the day that Tom told me he was sick and was selling the business. Sometimes life is not fair. Tom was a good man who gave me good advice over the years. I'm sorry that I can't make the memorial service on short notice.##imported-begin##george##imported-end##
